AIRWAYS RESIDENCE CHOOSES FORTUNE ENTERPRISE FROM IDS SOFTWARES IDS MARKS ITS ENTRY INTO OCEANIA THROUGH PAPUA NEW GUINEA

India, 3 September, 2009: IDS Softwares Pvt. Ltd. a global leader in providing integrated IT solutions for the hospitality industry has announced its entry into the Oceania, with its order win from Airway Residences, Papua New Guinea.

The Airways residence, one of the leading and most unique airport hotels in the Papua New Guinea region was seeking a solution that would integrate all operations for their 109-room property. The IDS solution chosen by Airways Residences is Fortune Enterprise – A Property Management System designed to increase productivity, performance, revenue and customer satisfaction.

Mr. Pankaj Pandey, Executive Assistant Manager, Airways said, “We are extremely happy to be associated with IDS Softwares. It is their excellent support and complete automation that makes Airways Residences, the second property of our group to use IDS Solution. The system interfaces with other software & hardware devices at the property. The response from our operational staff to the software has been quite positive!”

“We are glad to be associated with one of the leading properties at Papua New Guinea. We are expanding our presence in this region and winning this order is yet another step in this direction. We look forward to greater business opportunities here” said Mr. Jacob K I, Asst. General Manager, Sales.
