

PRESS RELEASE

IDS SOFTWARES STRENGTHENS OMAN PRESENCE WITH VISION IT SOLUTIONS

Fortune Enterprise to automate Safer Group of Hotels

India, 25 September, 2009: IDS Softwares Pvt. Ltd., global leader in providing integrated IT solutions for hospitality industry, has reinforced its presence in Oman by bagging a new order through Vision IT Solutions, an IT Solutions & Infrastructure Company in the country for its sales and first line of support. IDS Softwares already has a strong presence in the region. The Safer Group of Hotels, with five hotel properties and a ballroom in Oman, has chosen Fortune Enterprise Property Management System and Fortune Central Reservation Office and Central Reservation System from IDS to automate these existing properties. Safer Group of hotels is the biggest home grown hotel chain in Oman and a known and respected brand in the region.

With the Sultanate of Oman being promoted aggressively as the tourism destination for GCC countries, this association will boost IDS' presence in the Middle East which already has formidable presence of 500+ clients in places such as UAE, Qatar, Saudi Arabia, Egypt and Bahrain.

Oman has the best natural resources for attracting leisure tourism and numerous projects are being sanctioned by the government every quarter. The country is seeing 5, 4 & 3 Star Hotels & a number of Serviced Apartment Projects being sanctioned a plenty by the government. IDS already services renowned properties such as the Al Nahda Resort, Ramee Guestline Hotel and Beirut Restaurant to name a few.

Mr. Rajesh. P. Yadav, General Manager, Sales, IDS Softwares Pvt. Ltd. said, "Vision IT Solutions is backed with experience and a strong IT infrastructure in Oman. Through this association with Vision IT, we have been able to establish & expand our business in the country. We are glad that we have bagged this prestigious order through Vision IT which has added value to our business and future plans"

"IDS is one of the pioneers in Hospitality Solutions. We believe that our tie-up with IDS would be beneficial for both companies since we have the local presence in Muscat and can deliver best Hospitality solutions supported by prompt onsite services to customers in Oman," commented Mr. Ashfaque Ahmed, General Manager, Vision IT Solutions.
