Front Office
Management

Smooth Operations, Happy Frontiers

FX Front Office Management is a cloud solution designed to consolidate front office functions on a single calendar-view screen, facilitating faster and more efficient processes.

POS

Boost Workflows and Streamline Operations

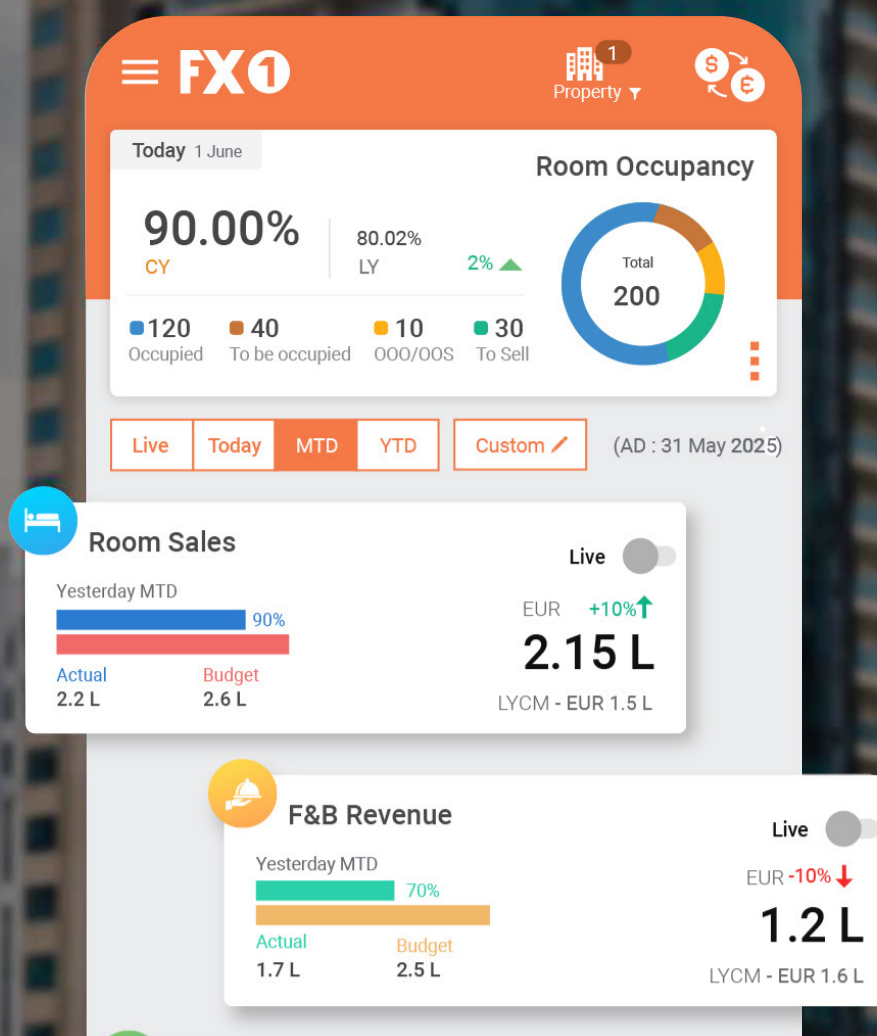

A solution that will simplify ordering and billing functions at a restaurant. Includes integrated billing modules and complex ordering processes.

Housekeeping

Effortless Tracking, Spotless Rooms

Mobile-first housekeeping management system that helps housekeepers and housekeeping supervisors in keeping track of the necessary activities.

Guest Service

Swift Solutions, Satisfied Guests

A system to record guest requests with time-bound escalations.

Sales and Catering

Ensure Event Excellence

A next-generation cloud system that can efficiently manage events and banquets.

Pulze

Real-time Insights, Real-time Success

A mobile platform providing valuable insights as an MIS that allows for driving profitable decisions.

Spa

Enhance Wellness Efficiency

An all-in-one cloud solution for standalone & chain brands in beauty & wellness.

Finance

Cloud Finance for Advanced Control

A cloud solution that provides the staff with cutting-edge features such as multi-property accounting, N-Level transaction authorisation & approval and more.
